## The Great Australian Fungiquest 25<sup>th</sup> February to 25<sup>th</sup> March 2022

This is organised through *fungimap* which has over 100,000 observations by over 1,000 observers. Its aim is to expand the database of records of Australian fungi and, if you want, it can have a competitive component. More information is available from

<https://www.biosmart.life/ausfungiquest>.
