

The next Field Nats meeting will be at our new venue in **Law 132 at the University** on October 7th.

**Slightly different access instructions this month:** Access to the building is easy – from the corner of Grosvenor St and Alexander St (see red star and arrows on map) walk down the laneway on the northern side of the Law Building and enter via the sliding doors at the back of the building. There should be plenty of parking available close by along Grosvenor St just past View St or on Dobson Road which is one-way down (see green squares) - we found at the September meeting that sports practice is taking a lot of the parking along Grosvenor Crescent by the oval. **Bring a torch if you are worried about the footpaths.**

**Our seminar room is in a self-contained area but we ask that you check in using the Law QR code on the outside of the sliding door.**

Keep those phones handy because we also need you to check in with the Field Nats QR code and write your name and phone number on the list provided. **Please bring your own mask if you have any concerns** but we will be keeping the room door open and also trying to keep the meeting as short as possible.

Access will be from 7.15pm. If you have any questions please email Anna at [booksales@tasfieldnats.org.au](mailto:booksales@tasfieldnats.org.au)

Hope to see you there!
