1938	Jan	3	
1938	Apr	4	
1938	Oct	6	
1937	Oct	2	Disappointingly only one entry received. Prize awarded to Miss D Weymouth
1937	Oct	2	Results of Competition for Juniors: 'Why I joined the Field naturalists Club' was won by Mss D Weymouth. The prize 10/- will be presented at the next meeting
1937	Oct	2	Devonport Branch report has been received by Mr H Stuart Dove:
1938	Apr	4	
			<ul style="list-style-type: none"> • A preliminary outing of this newly formed Field Naturalists Club was held on • July 31st when a visit was made to the bush behind Middle Road. Further details given of finds. • 21 August: to bush road between Moriarty and Latrobe • 22 August: to Don River near Melrose • 4 Sept: to old Aboriginal camping site at Mersey Bluff. Lists finds and carvings. More detail given
			More detail given...
1937	Oct	2	Tasmanian Wild Flower Show will be held on Nov 4-5 th in the Town Hall, Hobart. Members gave valuable assistance at this Show. It was opened by His Excellency The Governor, Sir Ernest Clark who invited members of the club to visit his rock garden at Government House....
1938	Jan	3	Summary of what was achieved in 1937
1938	Jan	3	His Excellency The Governor has honoured us by consenting to become Patron of our club and was unanimously elected.
1938	13-14 Oct	6	Wild Flower Show will be held in the Town Hall, Hobart. Members are asked to bring collections of wild flowers and moss to the Hall...Workers for unpacking, filling jars, sorting etc are urgently needed. Dr HD Gordon has kindly offered to organise this exhibition this year....Please bring flowers and also ask your friends for help.
1939	Jan	7	Report in Quarterly Newsletter #7 1939. 'The display or orchids created much interest'
1939	Jan	7	Annual Report: 1938 was a good year for the Junior Branch, which shows a big increase in membership, many of whom are active collectors and are keen to become real Field naturalists. The credit for this must go to Miss J Cox the Secretary for the Branch..... We need more members especially those who will do collecting. In order to encourage this active work among juniors and seniors it has been suggested that our Wild Flower Show should become a Wild Life Show. The idea being to exhibit all forms of wild life by living and preserved specimens. Collections of insects, shells, plants, fish, mammals and birds. We should like to hear what our members think of this.
1939	July	9	2 nd Annual report of the Devonport Branch of the TFN is provided. Outings held monthly. Interest has increased. Speakers included Dr AN Lewis; The Rev Archdeacon Atkinson and Mr AG Powell. The Branch was congratulated on the work they are doing. More detail given.....
1939	July	9	'A Guide to Collecting' is obtainable from the Hon Secretary price 3d. Badges are also available.

1939	18-19 Oct	10	Wild Flower Show will be held in the City Hall. Collections of flowers should be left at the City hall, Hobart on Tuesday 17 th Oct. Cards must to attached to each collecting stating from whom they came. An Australian Wild Flower Show is to be held in Melbourne the following week and the Shell Company has arranged to despatch our exhibits after the Tasmanian Show is finished.... More helpers urgently needed, please fill in the following form...
CIRCULARS			
1956	6-7Dec	10	Exhibition of Tasmania's Natural History
1958	12 Feb	20	On New Year's Eve 1957/1958 New Cradle Mountain Ranger Franz Eselbock played his piano accordion and was 'a jovial presence and a lively and friendly addition' to the New Year's Eve Federation camp party.
1958	12 Feb	20	Shots and More Shots – Kelsey Aves notes the advent of the early Disney wildlife films as being quite different to seeing still photographs of animals. And then compares the game shooters who shoot to kill for a few minutes of excitement.
1958	11 July	25	Sudden Death of Mr Alan Craike (current TFNC Treasurer) on 25 June – his coffin was draped with the TFNC flag. Refer to Circular for more details.
1958	Nov	29	Working bee for the Petersen Memorial. Nov 15-16 "The party will go to KCol and spend the night there.... The Club is one of the prime movers asking for a hut to be built as a memorial to our late member 'Bob' Petersen, we hope to give substantial help on the above lines"
1959	15 May	33	TFNC purchases a duplicator (nickname "Blotto Unlimited")
1959	11 Sept	37	Adult Education Board courses and lectures are first mentioned in the newsletters
1960	8 Feb	40	The Committee decided that nominations should [in future] be called for in writing, with the Nominees consent to serve
1960	17 March	41	In 1960 TFNC had representatives on the following committees: <ul style="list-style-type: none"> • Conservation Committee (elected by the Executive) • Federation of Field Naturalists of Tasmania • Good Neighbour Council • International Committee for Bird Preservation
1960	19 May	42	"His Excellency the Governor, Lord Rowallan has kindly accepted the Office of Club Patron....."
1960	19 May	42	An approach has been made to Dr Bryden, Director of the Museum about the possibility of exhibits not taken away by Club members after meetings, be left at the Museum in case use can be found for them in Museum work. Dr Bryden greatly appreciated the suggestions and, in the future, left over exhibits may be used in displays for school children etc. Any material which cannot be identified may also be left and identification will be carried out for the next monthly meeting.
1960	16 June	43	Amendment to Rule 20: 'in the event of a claim being made against the club, the liability of each member of the Club shall be limited to a levy equal to one year's subscription'
1960	July	44	"No doubt members will be pleased to read of the refusal by the Government to sell the land required for a hotel on Mt Wellington"
1960	July	44	<u>Thanks to Alan Hower</u> for a substantial donation to Club Funds through his good work for Woolworths in the recent floods. Along with some Club lamps, Alan lent his own whilst there was no electricity in Town, meanwhile lending a hand to sort things out.
1960	Sept	46	Suggestion to hold Sunday Outings – decided to shelve the idea for present as so many younger members would not be able to attend due to various circumstances
1960	Oct	47	The success of the outing to Eaglehawk Neck – the first of a new type of outing with an advance student or an instructor in some class of natural history as leader, proved a great success and we hope to have future outings of this type following a similar pattern.

1960	Nov	48	<u>The Orchid Show:</u> ...there was a small but most effective display of native orchids arranged by the TFNC. The Committee.....would like members and all interested to know that the TFNC decided against picking specimens this year – thus depleting the bush of its natural beauty – and only used what could be obtained from members who grow specimens at home.
1961	April Easter Camp	52	“... For the first time in 30 years or so ‘Sargie’ (Harold Sargison) was unable to be present owing to indisposition. We missed him very much...”
1961	May	53	Tribute to Sargie’s City – the storage of TFNC camping gear at 33 Mortimer Ave. see circular for full text...
1961	June	54	TFNC’s affiliation with YHA ends
1961	Nov	59	TFNC begins to advertise RAOU and BOC meetings in its newsletters.
1962	AGM 15 Feb		First lady secretary – Mrs Clare Boden elected
1962	Feb	60	TFNC advertises Hobart Walking Group trips
1962	Feb SGM	61	Amendment to Club Rules combining Honorary and Life membership
1962	Sept	69	Club badges are now for sale from Sargison’s
1962	Nov	71	Mrs F Green a member since 1910 and Mrs PH Scott a member since 1913, the meeting was attended by them both and tribute made to them.
1963	Feb	72	The Adult Education board with the cooperation of the Indian Government have arranged a mountaineering camp for Easter 1963 the leader with be Tenzing Norgay who reached the summit of Mt Everest in 1953 with Sit Edmund Hilary.....All must be physically fit and in condition to undertake four consecutive day walks of eight to nine hours. Membership open to men and women between the ages of sixteen and thirty.
1963	Mar/ April	73	Adult education courses begin to be advertised in Circulars. E.g. Botany for Bushwalkers and Zoology – Life of the Bush, Water and Land
1963	May	74	South West Committee – draft constitution received for review.
1963	Special GM 18 July	75	The Club Circular becomes known as the “Tasmanian Field Naturalists Club Monthly Bulletin”
1963	Special GM 18 July	75	Club Rules amended to include ‘two shillings allocated as payment for the Bulletin for Ordinary and Junior members.’
1963	July	76	Club now has a PO Box: PO Box 68A
1963	July	76	State Floral Emblem has been discussed since 1934(!) and finally proclaimed 5 Dec 1963 as <i>Eucalyptus globulus</i>
1963	Sept	78	<u>Fauna Sanctuary Park formation:</u> TFNC was asked for an opinion by J. Cruise and J. Camiller about the formation of this park along the lines of Healesville Sanctuary, Victoria
1963	Sept	78	TFNC Social at CWA rooms 26 Oct 8-11pm Ladies - a Plate please: Gentlemen – a silver coin
1963	Oct	79	St Johns Ambulance Association writes asking if members are interested in receiving First Aid training
1964	19 March	82	Club rules amended to delete Rule 13: The Bankers of the Club shall be ‘The Commonwealth Savings Bank’
1964	April	83	Suggestion that that meetings should start at 7.45pm instead of 8pm. Deferred until the April meeting for further discussion
1964	May	84	Celebrations of 60 th Anniversary: it has been suggested that this should take the form of a Club Outing to The Springs for afternoon tea. Veteran members of the Club will be invited to join us and transported there if necessary. Other suggestions are welcome and the views of members on this one appreciated.
1964	Nov	89	Advertising the walking group trip to Schouten Island in the Cartela for the March long weekend.
1965	May	94	Members asked for top quality photos for a new book being published “Australia and the Pacific” ...lists fauna and flora and areas required.
1965	May	94	The Tasmanian Naturalist with Michael Sharland as editor is reintroduced, it is the first edition since 1955.

1965	June	95	Death of R.C. Harvey – a life member, who though not an original member joined the club in its very early days and retained continuous membership. In recent years he did not take an active part in the Club activities but was formerly a very strong supporter of Easter camps and we owe him many of the pictorial records of the early camps and excursions. Mt Harvey and his wife took part in the Clubs Golden Jubilee celebration last year.
1965	Oct	98	Life membership was conferred on Mr Alan Brownell . Mr Brownell has been a keen member of the club for many years and his spartan work in connection with organising Easter camps, especially all the work he put into Advance Parties, will be long remembered. We are very grateful to Mr Brownell for his splendid services to the Club, and it is with very great pleasure that we make him a Life Member.
1966	Feb	101	Adult Education Board Courses continue to be advertised. Our Vice President is leading a course of 10 lectures under the title “An Introduction to Natural History” Dr I.S. Wilson is leading a course of 10 lectures on “The Biology of Birds:
1966	March	102	1966 Easter camp will be held at Lune River. Club tents etc are available for hire at £1 (\$2), plus a similar amount which will be refunded if the equipment is returned in good order and by a date to be selected. A large recreation hut will be available, as well, probably one or two camping huts, but to be sure, members should have their tents or cars with time in which they can sleep.
1966	March	102	Birds Observers Club meetings are advertised
1966	April	103	The Committee feels more can be done to make new members welcome. Those who nominate these new members are expected to ensure that they turn up to the first meeting as far as possible and also introduce them to the officers and other members so making them feel they are part of the club.
1966	June/ July	105	Introduction of cardboard names badges to be worn at meetings – in an effort to make new members feel at home and to increase the social contacts among members. The need to wear badges was reiterated in the July Bulletin – “as a great help for older and newer members to become acquainted”
1966	July	106	<u>Exhibits and observations</u> : Above all others the function of a field naturalist is to keep his eyes open to <u>observe</u> what is happening around him when he is out in the bush, or even in the garden or on his way to work. Man has to <u>learn</u> : to see in the first year or two of his life. Then as he grows older he tends to ignore most of what he sees and hears. Have you stopped to listen to the “silence” of the night or really examined a square yard of apparently bare ground? It’s always rewarding. And often, what seems at first to be a trivial observation may lead to useful further points of interest. So, we do like to hear your observations at meetings and to see the exhibits you bring.
1966	July	106	<u>An appreciation</u> “.... a member who worked tirelessly and faithfully for the Club in whatever direction their particular talents lay. One of these was the late Mrs Fleming , though no means young in years, she attended practically all field outings, encouraging young and not so young by her quiet enthusiasm. Her talents in cooking, even under the difficulties of open fires, wind and rain will be remembered by all who worked on the Advance Parties of Easter Camps. She stuffed mattresses and tidied up the camp so that each tent was a home away from home when the main party arrived. She always worked hard in the tedious anticlimax of cleaning and sorting gear at Sargie’s home after the camp was over. She was a good camper and a fine field naturalist”

1966	Aug	107	TFNC supports FFNCT's recommendation <ul style="list-style-type: none"> • that a reserve of coastal heath and sands dune declared. • But before supporting the Federations suggestion of a campaign to have the walls of Jerusalem declared as a reserve...TFNC committee feels that an all-embracing case of selection of reserves and parks with maximum conservation possibilities should be made out. • that the roadside vegetation in Epping Forest should be preserved • that the Federation should have a member on the Cradle Mt-Lake St Clair NP Board.
1966	Aug	107	Place of Meeting: Consideration and suggestions requested of a change of meeting venue, that would enable a cup of tea and more flexible meeting end time.
1966	Sept	108	Meeting Place: it was resolved not to move the meeting place from the Museum, but to allow more time for conversation to start the meetings at 7.45 instead of 8 o'clock
1966	Oct	109	Committee discussions: Easter camps were discussed with the possibility of work begin done on projects which may provide useful material for the University. The committee also discussed action to support the submission to the S-W committee and also of the Federation of Field Naturalist Clubs of Tasmania.
1967	Feb	-	No meeting held in February – Major bushfires on Black Tuesday 7 February 1967
1967	March	113	Bird Observers Group; Animals and Birds Protection Board and the Hobart walking Group meetings are all advertised
1967	June	116	A prize has been donated for a junior member showing the most interest in Natural History – project to be written and maybe from the writer's own observations or from a study on any favourite subject.
1967	June	116	Sunday outings is discussed again for/against
1967	June	116	South West Committee – slide evening in the Hobart Town Hall is advertised for 19 June 1967 to give the public some idea of what is planned in the proposed flooding of lake Pedder.
1967	June	116	A prize has been donated for a junior member showing the most interest in Natural History – project to be written and maybe from the writer's own observations or from a study on any favourite subject.
1967	July	117	Warning about the need to air dry-cleaned sleeping bags.
1967	Aug	118	Camp Song words – to the tune of Wandering the kings Highway
1967	Sept	119	Death of Member 12 Aug: The Late A.T. Caines joined TFNC in 1946
1967	Nov	121	Still advertising meetings for Bird Observers Group and Hobart walking Group
1967	Nov	121	Junior Prize advertised entries close 31 Dec 1967
1968	Jan	123	CAE courses advertised. Members Prof Jackson running a course on Highland Vegetation and Len Hall one on Tasmanian Birds
1968	Jan	122	The Clubs Camping gear is advertised for sale – as it has not been used for some years.
1968	Feb	123	Feb: Clubs camping equipment valued at \$1700. National Fitness Council have offered \$500. Committee will refer offer to the AGM.
1968	Oct	130	Oct: Public auction to be held by Burn and Burn on 23 November 1968 at 33 Mortimer St home of Harold Sargison: Equipment will need to be displayed to best advantage, the November excursion has therefore been cancelled and all members asked to assist. Note: Auction raised \$939.45 (source TFNC balance sheet at 31 Dec 1968) a net loss of \$772.15 on the valuation

1968	March	124	Federation of FNC of Tasmania: March meeting minutes circulated.
1968	August	128	Motions agreed: Two meetings pa and venue to be varied with host club organising billets and outings Discussion points included (reflecting concern for conservation issues): 1. Pollution of Savage & Pieman Rivers – August Bulletin : reports tailings dam is working and there is now no pollution in these rivers: 2. Representation on the Scenery Preservation and other boards to be pressed. 3. Objections raised to the propagation of pheasants anywhere other than King Island- August Bulletin : Minister for Lands and Works has been asked to consider all the objections that have been lodged. 4. Effects of pesticides on wildlife - August Bulletin : Considerable correspondence has been received. Officialdom seems complacent. No wildlife surveys of pesticides in wildlife have been done. University Chemistry dept. has offered to cooperate with advice and assistance if such a survey were contemplated. 5. Full support to get a NP in the Norfolk Ranges 6. Federation to affiliate with I.C.B.F. 7. Will seek assurances from Forestry for the sane management of East Coast wood chip ventures. August Bulletin : is to be operated on a sustained yield basis, thus implying reforestation etc. 8. Probable air and water pollution from any H ₂ SO ₄ plant to be established at Burnie Most motions required a letter or letters of action to be sent to appropriate authorities. August Bulletin : also lists Rocky Cape Scenic reserve signs to be erected; and refusal to allow Linda-Crotty track to be available for public use.,
1968	June	126	Essay Competition for Junior members launched: Book prize to the junior member who writes the best essay on a natural history topic of his/her choice. Entries close 31 October.
1968	June	126	G.A. Major writes on "Conservation and All that" he believed there were too many conservation groups at present each shouting each other down to claim public attention and perhaps some of the groups should be culled....
1968	July	127	It received a vociferous two-page response from J.S. Luckman correcting mis-statements and misconceptions! Listing the bodies and when/how they were formed. Asking for a correction to be made in the next Bulletin. G.A. Major: replies in July Bulletin: 'The views expressed....are not necessarily those of the Committee. Comments and additional information invited from readers'
1968	Sept	129	Len Wall: replies in September Bulletin: straightening out inaccuracies...of the Major and the Luckman letters
1968	Sept	129	Ranger to Mt Field NP wants to learn more about Tas Natural History and requests loan or gift of text books on Botany and Zoology
1968	Oct	130	Club writes to Federation FNC of Tasmania stating "that the committee of the club considers the full integration of the Scenery Preservation Board and Animals and Birds Protection Board ..as recommended...is of essential and primary importance in the administration of Parks, Reserves and wild life of this state.....also such a combined board should be directly responsible to a Minister of the crown and not to the head of some government department as the Scenery Preservation Board is at present"
1968	Oct	130	Tasmanian Conservation Trust symposium was advertised: Guest speaker Prof Gustav Adolph Swanson, from Colombia University
1968	Nov	131	Junior members prize was judged by Dr Bryden from the Museum and the prize awarded to Nigel Brothers for his essay on Lambert Park
1969	Feb AGM	132	Balance sheet as at 31 Dec 1968
1969	March	133	Members survey and discussion of results
1969	June	136	

1969	April	134	Mrs Alice Elliott O.B.E. and Mrs F.I. Green nominated for/conferred on Life
1969	May	135	Membership
1969	June	136	Under 16 Junior Book Prize will be offered again in 1969. Entries to be handed in by 30 Oct. and prize to be presented at November meeting
	Oct	140	
	Nov	141	
1969	Aug	138	Ideas on Outings (or Field Trips as they call them) culled from Richmond Hill Naturalists, Canada
1969	Nov	141	Birds Observers Club meetings and outings still being advertised in Bulletin.
1969	Nov	141	Article: States will act together to save wildlife widespread feeling that greater attention to wildlife conservation is urgently needed, as an integral part of national development.
1970	Feb 19 th	142	Specimen of the evening to be presented by Miss C.H. Mosey
1970	19 March	143	AGM Presidents report and Treasurers Report for years ending 31 Dec 1969
1970	April	144	Federation of Field Naturalists Club of Tasmania takes the lead in convening a get together of the three conservation organisations and that we make a submission regarding our aims for the new National Parks and Wildlife Bill: Members were asked to submit their views in writing to Miss ML Westbrook.
1970	5 May	145	Mr Len Wall recipient of the John Skemp Memorial Medal.
1970	18 June	146	Junior Natural History Prize entries requested. Close 15 October
1970	16 July	147	Brochures advertising the new four-day walk Oct to Easter, through Cradle Mt – Lake St Clair National Park: Guide Eric Sargent. Food, sleeping and waterproof gear provided.
1970	16 July	147	Bird Observers Club meeting advertised

1971	April	154	Bird Observer Club of Tasmanian has been formed/formalised. It will now have outings at two-monthly intervals
1971	May	155	Peter Murrell appointed as Director of National Parks & Wildlife.
1971	May	156	Club Library is housed at the Royal Soc Rooms, Tasmanian Museum in the bookshelves behind the official table
1972	March	162	Club Badges: Existing supplies are almost exhausted, so a Competition is launched to design a new club badge with a Platypus.
1972	March	162	Car Stickers – available from the Treasurer. Aim to provide an introduction between travellers interested in natural history
1972	March	162	Tasmanian Birds – Pocket Book. Jacaranda Press has paid advance royalties on the production of a small book illustrating Tasmanian Birds. There has been a delay, but everything is now in the publisher's hands. It hoped to be available by June
1972	March	162	TFNCs delegate to S-W Committee is strongly recommending a Road into Port Davey. May 1972 newsletter reports club divided evenly into those for and against. The Secretary of S-W Committee is proposing no road at all so this will be further discussed at their next meeting.
1972	May	164	

1972	May	164	It is pleasing that the library is now readily accessible in the Royal Society Rooms, but there has not been a great demand to use it, so until a genuine demand is evident it will not be readily extended.
1972	May	164	Requesting volunteer to keep the Record Book – divided into three sections: Publicity; Observations and Exhibits. Excursion write ups are done by a participant and then handed for inclusion in the Record book
1972	June	165	Hobart City Council asks for ideas on the management or improvement of the Councils Reserves such as Mountain Park, Lambert Park and so on.
1972	July	165	Call for Rural Fires Volunteers. Rural Fires Board are hoping to provide a properly constituted organisation with members who can be called on for assistance in an emergency. See article for more detail.
1972	July	165	Projectionist – Miss D Wise has volunteered to act as projectionist for Club Meetings
1972	July	165	UDPA – is a planning organisation engaged by HCC to do some research into the needs of the Hobart area so future planning will be as all-embracing as possible. TFNC is to send a delegate for discussion on the environment. See article for more detail
1972	July	165	Safety in the Bush – a small, waterproof, fold up pamphlet has been produced by a number of organisations including Hobart Walking Club
1972	Aug	167	Louisa Anne Meredith's 'Grandmamma's Versebook' written 1878 is discussed and her poem titled: 'Wattle Birds in Gum Trees' is included in the Bulletin.
1972	Aug	167	Lists all the other Tasmanian Field Naturalist Clubs and their meeting times/places. Members are asked to billet a Federation member at Federations meeting in Hobart next month.
1972	Sept	168	Lists the available relevant Adult Education Spring Programme
1972	Oct	169	Provides a list of Tasmanian Endemics still to be painted by Miss Margaret Stones
1973	Feb	171	Tasmanian Birds pocket -sized book – progress is very slow; it may be ready by Christmas.
1973	Feb	171	Members reminded submissions are still needed re: Protection of Native Flora (refer Federation Meeting Nov 1972)
1973	Feb	171	'Places of special interest to Tourists' – A magazine 'Wildlife in Australia' intends to published a series of articles of such places close to the chief cities as a guide to visitors. The Club sent a proposal for the Hobart area
1973	March	172	Record Book: requesting volunteers to maintain it for the next few months. Needs to include a list of observations and exhibits and to include something about each outing and any press cuttings.
1973	March	172	The question is asked does the Flora and Fauna Committee need to exist now that the stronger Tasmanian Conservation Trust exists?
1973	March	172	1972 Annual Report
1973	March	172	Queen's Domain. Club committee supports HCC plan for the Domain – to keep the northern section as natural Parkland
1973	March	172	Club asking for donations to purchase the Book 'Insects of the World' cost \$15. So far \$8.00 has been received. By June 1973 sufficient funds had been raised and the book was purchased.
1973	March	172	Excursions will be an even distribution between Saturdays and Sundays
1973	May	174	Mrs McDonald will open the library before the meeting. The Library's purpose is outlined. More detail given.
1973	May	174	Easter camps – questions are asked: Where are suggested camp sites; is there the need to have knowledgeable people to lead and should each camp have a goal/aim or do we just go? Feedback to ML Westbrook.
1973	May	174	TFNC is listed in Walch's Red Book
1973	May	174	Rural Fires Board: members are encouraged to know the Rural Fires Requirements in the use of matches/cigarettes/camp fires and fire protection in these areas.
1973	June	175	TFNC has registered with Tasmanian Environment Centre as a Conservation Body and will make a donation of \$5.00 towards their expenses. We will then receive National Environment Council notices.

1973	Sept	178	TFNC library – should we buy large expensive, but very informative books etc. - so, should we buy a number of small books that ...can be taken in to the field to aid identification? What do you think?
1973	Sept	178	Circular folding night for Sept Bulletin and the Tasmanian Naturalist is to be held at Mr Ave's home on Monday 6 Sept
1973	Oct	179	Advertising Tasmanian Wild Flower Exhibition of Margaret Stones original drawings of the Endemic Flora of Tasmania together with other drawings by Louisa Anne Meredith
1974	April	183	The AGM noted the deaths of Mr Simson and Mr Bennett who died during the year.
1974	May & July	184/ 186	Advertising for the Australian Conservation Foundation (ACF). Asking should we as a club become a Group member/confirmed in July that TFNC had become a Group Member.
1974	June	185	Encouraging members to nominate and lead excursions – gives guidelines
1974	June	185	Stop Press: Handbook of Tasmanian Birds – Jacaranda Press will be out by the end of June!
1974	Aug	187	The book 'Tasmanian Birds' by Mr LE Wall is now available in the shops. Sponsored by TFNC printed by Jacaranda Press
1974	Aug	187	Article exhorting members to become involved in the Club – especially involving/recruiting juniors. One or one or liaise with schools. One member offers to collate slides and record a talk so that this show could be given to class groups.
1975	March	192	Please wear your name badges!

If members have reminiscences, photographs, memorabilia they would like to see in the book, please contact Janet on. More detail given.
2003	Oct	312	Is there history in your cupboards?
2004	April	314	Various suggestions are made for what the title of TFNCs soon to be published history book should be. More detail given.
2003	April	310	Photographic Competition advertised ANZ Nature and Landscape Photographer of the Year. One page of information supplied.
2003	Oct	312	With sadness we report the death of three members: Kelsey Aves, Joyce Tagg and David Cowie . See #313 for Obituaries
2003	Oct	312	Tasmanian Marine Naturalists Association has organised a parent/child day for November 22 to spend the day at the Woodbridge Marine Discovery Centre. More detail given.
2004	Jan	313	Obituary: Kelsey Aves by Marjorie Wall "What a valuable member he has been..." More detail given.
2004	Jan	313	Obituary: Joyce Tagg by Marjorie Wall. "it is hard to think of Joyce without her sister Mem as they worked as a team..." More detail given.
2004	Jan	313	Obituary: David Cowie by Don Hird. The author and driving force behind <i>Tasmanian Jewel Beetles</i> published by the club in 2004. More detail given.
2004	April	314	Permits: State legislation now requires a Holding Permit for Natural History Specimens or Objects for educational or display purposes...this means we need a list of all items which you would bring along to use at the annual Flower Show in October... More detail given.
2004	April	314	First photographs printed in a newsletter! Two black and white photos of a Mountain grasshopper and a new species of semi-slug.
2004	Fri 17 Sept 6.00pm.	315	Janet Fenton's 'A Century Afield.' Will be officially launched by Lord Mayor of Hobart Robert Valentine. TMAG have kindly allowed the use again of the Zoology Gallery.
2004	July	315	Obituary: Len Wall by Julia Scott. Len was a member for over fifty years – half the Clubs history. More detail given.
2004	July	315	Mammal Survey Group. We intend to apply for a permit to recommence these activities.
2004	July	315	The Biennial Plants Australia Flower Show will this year be again held at City Hall from Friday to Sunday October 15-17. Setting up will be on the Wednesday and Thursday prior. If you are able to assist please see a Committee member. Report: Bulletin #316 Oct 2004. "Presidential Musings on TFNC at the APS Flower Show 2005 [sic] 2004"
2004	July	315	No democracy, Please: We're Conservationists? By Don Hird About the role of this club in conservation advocacy ad participation in the larger conservation movement that has arisen during the life of this club. Some years ago we formulated a Conservation Policy centre around our primary concern on protection of biodiversity. One of our concerns is the amount if misinformation and distortion that we see pervading many of the public utterances on the subject. Much more detail given.

2004	July	315	Mammal Survey Group. We intend to apply for a permit to recommence these activities.
2004	July	315	The Biennial Plants Australia Flower Show will this year be again held at City Hall from Friday to Sunday October 15-17. Setting up will be on the Wednesday and Thursday prior. If you are able to assist please see a Committee member. Report: Bulletin #316 Oct 2004. "Presidential Musings on TFNC at the APS Flower Show 2005 [sic] 2004"
2004	Oct	316	Tas Marine Field Nats Program advertised Nov 10 th to Dec 12 th 2004.
2005	April	318	Obituary: Les Rubenach was a long-term member of the club whose special interest was native orchids and field he was involved in for over 25 years...but he was a keen and skilled photographer of our native orchid flora.....These same skills made the clubs Jewel Beetles of Tasmania (2001) for which Les took all the photographs possible. More detail given.
2005	May-July	Com'ttee records	First attempts by Simon Grove, Janet Fenton and Maria Grist to digitise 'The Tas Naturalist' records via OCR software including 'Omnipage' with the aim to put pdfs of all the Tas Naturalist's on-line. It was thought that 200dpi would work much better than 100dpi. It was going to be time consuming, and was not followed up at this stage.
2005	Nov	Anna McEld	The library was relocated to the foyer outside the UTAS Life Sciences ground floor lecture theatre in late 2005. A new metal two door cabinet was purchased and the wooden front cabinets were sold in November 2005 for \$388.95. Anna McEldowney negotiated with the Uni space allocation people to use the foyer as it is public space and not owned by Biological Sciences. That is why the cupboard has her contact details on it so when they do things like replace carpet or paint they have someone in the building to (hopefully) call. A working bee was held in the level 3 lab in late 2005 to organise and dispose of lots of stuff, most of which is, unfortunately in crates downstairs at Anna's home at Longley.
2006	Jan & April	321 & 322	Following on from Don Hird's Dec 2004 short talk about the use of Nest Boxes designed and used interstate for surveying and studying Pygmy Possums: Don Hird of Mammal Survey group states he intends to commence such a study in collaboration with an NSW doctoral student and UTASD Zoologists. Don requests reports of sites where Pygmy possums have reliably been observed...A range of habitat types and altitudes in desirable. More detail given.
2006	April	322	Website Update. The TFNC website at www.tasfieldnats.org.au has been overhauled, it now has brief summary of news and coming events such as meetings and excursions right on the front page... The excursion photo gallery now covers most of the recent excursions and the Bulletins have been reorganised.
2008	April	330	Excursion photos are now available on TFNCs website at http://www.tasfieldnats.org.au/ExcnPhotos/ExcnPhotos.htm . The website begins to take over organisational function of the Club and the Bulletins are no longer the only source of information for members.
2006	April	322	Club policy is for passengers to pay the driver a donation towards petrol and car running costs on Club field trips. A round trip up to 100km is a \$5 trip/passenger and a longer trip over 100km is \$10 /passenger...More detail given.
2007	July	327	Reminder given that passengers are expected to contribute as above.
2008	Jan	328	Reminder given again
2006	July/Oct	323/ 324	Julia Scott has broken her leg. More detail given.
2007	Jan	325	Vale Gretna Weste (1919-2006) Obituary written by Janet Fenton.
2007	Oct	328	Mammal Survey Group: Pygmy possum nest-box project progress report.

			Nest boxes have been deployed in four main study areas; Warra Long term Ecological Research area; Mount Mangana; Bruny; Tasman Peninsula. Lot more details are given...
2008	Jan	329	Threatened Plant Action Group: Botanic Gardens Tour and Inaugural Meeting. More details provided.
2008	April	330	Jack Thwaites: Pioneer bushwalker and conservationist – a new book by Simon Kleinig. Jack Thwaites synonymous with Hobart Walking Club was also a TFNC member and committee member and speaker in 1940s to early 1950s. More detail given.
2008	17-19 Oct	330	Australian Plants Society <i>Wildflower Spectacular</i> . Request for volunteers. This year's theme 'Native plants for every garden style.' More detail given.
2008	April	330	The Tasmanian Naturalist editor Mark Wapstra makes a call for articles. Explores to possibility of a special edition on Tasmanian orchids. More detail given.
2009	April	334	Call for contributions by editor Mark Wapstra. 'Last two volumes have introduced colour pages....' Sponsorship received is listed
2008	June	331	Tasmanian Fungi – new website constructed by club members Genevieve Gates and David Ratkowsky (Plant Science UTAS). http://www.utas.edu.au/docs/plant_science/tasfungi/
2008	Oct	332	Obituary: Eric Guiler by Janet Fenton. Well known vertebrate zoologist and past president of TFNC. During the 1950s Guiler was an enthusiastic member and serving on the committee 1952 and 1953. More detail given.
2008	8 Dec	Certificate and Award application deposited TA in 2023	Dr Edward Hall Environmental Awards 2008: The Club received a Community Group Certificate of Merit. For the Project: Pygmy Possum Ecology: a nest Box Study: Chief Investigator Don Hird Award sponsored by RTBG and HCC. Certificate signed by The Lord Mayor Rob Valentine and Alderman Helen Burnet (chair of the Judging Panel.)
2009	Jan	333	Three new Life members: Julia Scott, Isa Hurburgh and Barbara Greenstreet. More detail is given on the history of TFNCs Life Members
2009	Jan	333	Request from Dr Julie Gough TMAG, for help to locate a photo of "Mrs Fanny Smith (the last of the Tasmanian Aborigines) and basket made by her in native fashion" Referred to in the Tasmanian Naturalist Vol2 1909, No2, p22. More detail given.
2009	April	334	New President Mike Driessen thanks outgoing President Janet Fenton and outgoing secretary Robyn Kramer. He outlines his goals as President to try to capture our data on the Natural Values Atlas (NVA). Mark Wapstra has previously established a Project code on the NVA for our observations and Mark has already begun entering some records, but we have some way to go. More detail given.
2009	April	334	Colour photographs used in the Bulletin for the first time.
2009	April/July	334 & 335	Bulletins by email. ...it will reduce the amount of paper being used – something important for a club like ours....If you wish to receive Bulletins by email send your email address to Anna McEldowney. More detail given.
2009	Oct	336	Changes to the Bulletin – trip reports will be shorter with species lists to be put on the website. Also, keen to lodge our observations on the NVA. A standard blank list (downloadable from the website) with appropriate headings for people to enter their observations, which they would in turn send to Mark Wapstra to collate and enter in NVA. More detail given.
2010	April	338	President Mike Driessen report changes in the committee and looks back on the 12months

2010	April	338	The introduction and improvements to the TFNC website has resulted less reliance on the Bulletin newsletter. Information is not now always in the Bulletin resulting in incomplete data especially for Speakers and Excursions.
2010	April	338	Tasmanian Marine Naturalists (TMN) to Join Field Nats. TMN have decided their club is no longer viable and have approached us with a request to amalgamate with TFNC. The committee believes that amalgamation would be a good outcome for both clubs and will be seeking approval from club members at a future meeting.will not require any changes to current rules...but we may try to include a few more beach orientated activities in future. More detail given.
2010	Oct	340	Welcome to Marine Naturalists by President Michael Driessen! More detail given. Their book 'Between the Tides' will now be sold along with existing TFNC books.
2010	July	339	Indexing the Tasmanian Naturalist: can you help? Mark Wapstra is coordinating the indexing of old editions of The Tasmanian Naturalist. The project involves scanning individual editions, applying optical text recognition software and manipulating PDF files and is requesting loose copies of 'The Tas Naturalist' 1907-1955. More detail given.
2010	Oct	340	TFNC Committee is seeking a Data Information Officer – someone who would be willing to enter data in an excel spreadsheet /batch format to NVA. More information given.
2011	April	342	President Mike Driessen reported on unchanged committee and looks back on the 12months. Refers to: Blackgum Distributors takes on book distribution; progress with on-line payment of subscriptions and club books from the website; Mark Wapstra continues to make progress with indexing the Tasmanian Naturalist; Simons Grove's guide to Tasmanian sea shells to be published shortly...more detail given.
2011	July	343	Book Launch of Simon Grove's book: Shell book
2011	July	343	Death long-standing member of Margaret Aves age 102 is reported.
2011	July	343	Tas Nats Go Global! Book sales are now on-line and with PayPal facility. Thanks go to Neil Klaer; Geoff Fenton; Anna McEldowney
2012	Jan	345	Fungi Festival 2012: Fungimap and NRM South are organising a Fungi Festival, in Hobart April 26-30 2012. See Fungimap website. More detail given including programme over four days.
2012	April	346	President Mike Driessen reported on unchanged committee and looks back on the 12months. Refers to: On-line payment of subscriptions and club books from the website; Simons Grove's guide to Tasmanian sea shells was published; Mark Wapstra completed indexing the Tasmanian Naturalist; TFNC hosted Federation weekend at Murrayfield; Committee agreed to pay to digitise Kelsey Aves slide collection and archived; Nell Hilliard has taken on the role of entering club observations onto the Natural Values Atlas and many records have been entered. More detail given.
2012	April	346	Bruny Island Environmental Network Fungi Foray to Mt Mangana on Tuesday 17 th April. More detail given.
2013	April	350	Report by incoming President Greg Heap
2013	Oct	352	A motion was put to the club and passed to fund the publication of 'A Field Guide to Tasmanian Fungi' by Genevieve gates and David Ratkowsky. Included scope of the book, layout etc. More detail given.
2014	27 Feb	354	Launch at Fullers bookshop of TFNC's latest book "A Field Guide to Tasmanian Fungi by Genevieve Gates and David Ratkowsky". More detail given.
2014	April	354	Report from incoming President Kevin Bonham. Gives thanks Greg Heap for his presidency which brought innovation to the club's monthly meetings by use of Power Point presentations. Welcomes new committee members Kristi Ellingsen, Elizabeth Bicevskis. Thanks to outgoing members Simon Groves, Beth Heap. Gives his own brief Biography.

2014	Oct	356	Obituary: Ken N.G. Simpson 29 Aug 1938 – 9 July 2014. Well-known and honoured birdwatcher. Co-Author of Simpson and Day 'Birds of Australia'. More detail given.
2015	Jan	357	Obituary: Julia Scott 8 Oct 1959 to 2 Dec 2014. TFNCs Secretary 1995-2002; Committee member from 1994 to 2006. Made Life Member in 2009. More detail given.
2015	April	358	Report from President Kevin Bonham. Covers changes in the committee; the successes of the 2014 ANN; Fingal valley Easter camp; the A Field Guide to Tasmanian Fungi has recovered our costs in well under a year. Asks for suggestions on what we should spend our money on such as small Citizen science research grants; more publications etc. Need to review our Club Rules and a call is made for separate submissions. More detail given.
2015	July	359	ANN 2016 IN Perth WA preliminary notice is advertised.
2015	Oct	360	Obituary Marjorie Wall – a TFNC member for 69 years.**
2015	Oct	360	Bulletin editor's note: there is a change. Members are no longer posting excursion photos on the Clubs TFN Flickr site, instead posting them on the newly formed Facebook site. She sends a plea to send photographs directly to the Bulletin with species information to the Editors email address.
2016	April	362	Financial report for 2015 is listed.
2016	July	363	Three new TFNC Life members: Priscilla Park; David Ratkowsky and Don Hird. Brief biography provided for all three.
2016	July	363	Library Report included in this Bulletin for the first time since 2001. Stock take of the Library has been completed and the catalogue will be available on our website soon. Report lists new books; videos that are to be disposed; missing books from the library. Etc.
2016	July	363	List of useful Natural History links that are available on-line or as an app are listed and are now available on our website.
2016	Sept	364	TFNCs new website advertised (domain name retained). More detail given.
2017	Jan	365	Library Corner; Lists book accessions for the quarter etc. Details Club records deposited into Archives of Tasmania. New website items. Bulletins are now scanned and on-line on TFNCs website.
	April	366	
	July	367	
	Oct	368	
2017	April	366	Club T-shirts- as a follow up on last year's order, it asks who still would like to order one. May be able to re-order.
2017	April	366	World's Greatest Shave – Members Simon Grove and Don Gaff have shaved their hair once again for the benefit of the Leukaemia Foundation.
2017	July	367	130 years of Change on King Island. Celebrating the 1887 Expedition of the Field Naturalists Club of Victoria. To celebrate the 130 th Anniversary KIFNC is hosting a visit from 27Oct to 29 Oct 2017. More detail given.
2017	July	367	Advance call for ANN2018 to be held in the Grampians Region of Victoria 29Sept to 8 Oct 2018
2018	Jan	369	The Committee agreed that the Biodiversity Heritage Library (BHL) should digitise all the Tas Naturalists, this will increase the on-line exposure of these publications. More detail given.
2018	Jan	369	Library Corner: details that TFNC Circulars/Bulletins 1907, 1953-1999 are now on available on our website. And lists recent Book accessions
2018	May	370	Library Corner explains more about the BHL and lists new accessions to the Library
2018	May	370	Club T-Shirts to be reordered and possibly include a windcheater order. More detail given.
2018	May	370	Thank you to Anna McEldowney who has retired as Treasurer after a record 17 years, although has stayed on the committee as general committee member responsible for Book Sales. More detail given
2018	July	371	Thanks go to Betty Brettingham-Moore for providing the supper after meetings for so many years...we wish her well for a successful recovery after a recent car accident
2018	Oct	372	Library Corner: details BHL progress. New addition to website Search Tools which provide lists of

			<ul style="list-style-type: none"> • TFNC Excursions and Camps 1904-2018 • TFNC Speakers_Topics 1907-2018 • TFNC Conservation matters, Fauna and Flora observations 1937-2018 • TFNCs Organisation and Events 1904-2018
2019	Jan	373	Library Corner: details BHL progress - Easter Camps and The Tas Naturalist are more or less complete, work has begun on the Newsletters/Bulletins And lists recent Book accessions
2019	April	374	
2019	Oct	376(5)	
2019	April	374	Photograph of Life member Isa Hurburg celebrating her 100 th birthday
2019	April	374	The family of Alan Hewer (1917-1999) past TFNC President has donated a number of slides. It has been decided to digitise slides depicting club camps and activities
2019	Oct	376(5)	Citizen Science Opportunities are to be advertised on the new Citizen Science webpage on our website at https://www.tasfieldnats.org.au/citizen-science/
2019	Oct	376(5)	We recently received a letter from a teacher in the school in the USA to say the children had discovered the Links section on our website which had helped their environmental science research projects and their understanding what it means to be a naturalist. The children returned the favour and recommended a useful wildflower website for us which could be found in our Links section
2020	Jan	377	Simon Grove – TFNC Member is awarded the 2020 Australian Natural History Medallion by the FNCV at a ceremony at the FNCV club rooms in Melbourne in November 2019
2020	March		TFNC voted to award Janet Fenton TFNC Life membership at the March 2020 AGM. COVID-19 social isolation delayed the presentation of her certificate until Oct 2020 General meeting.
2020	20 March	Email & 378	Email to members, As the result of COVID-19 and government regulations requiring us to ‘stay at home’ cancelled April & May General Meetings and Excursions and will review in mid-May. UTAS cancels all lecture theatre bookings until 31 Dec 2020. Requiring us to find a new meeting venue and isolating TFNCs members from its Library cupboard for the rest of 2020.
2020	April	378	27 January 2020: The TFNC ‘Carry List’ was advertised in the Bulletin#378 and is on our website. This is the list of recommended items to be carried by members on all TFNC Excursion covering clothing, H&S items and personal first aid items
2020	April	C’mmtt ee Minutes	At the April committee meeting (conducted in two sessions by email) it was agreed to purchase some china coffee mugs printed with the Club’s platypus logo and name. These will be presented to each speaker as well as the Club’s 2004 biography ‘Century Afield. Each Life member will receive one FOC. Members will be able to purchase them for \$10 each.
2020	April	378	2020 ANN planned to be held in Stanthorpe, QLD in Sept 2020 was cancelled because of COVID-19
2020	June & 379	C’mmtt ee Minutes	TFNCs June Committee meeting was conducted by Zoom. A first for TFNC. The August General meeting was also conducted by Zoom ‘How to use iNaturalist.’
2020	4 July	379	COVID-19 protocols updated again: Excursions were able to resume from July 4 onwards and Face to Face General Meetings from Oct onwards but these were held at Mathers House, Hobart CBD as the UTAS lecture theatres remain closed.
2020	July	379	Obituary to Peter Fehre (1941-2020) valued member one of the ‘go to’ person for anything to do with Tas Native Orchids
2020	July/Oct	379/380	In July it was agreed to reprint 1000 more copies pf 2 nd edn “The Field Guide to Tasmanian Fungi. In less than 6 months all 1000 copies were sold!
2020	Oct	380	TFNC’s COVID-19 guidelines adjusted again in view the re-opening of interstate borders,

2020	Oct	380	Pre booking required Oct-Dec inc. meetings for General Meetings at Mathers House via TryBooking system to record names and contact numbers as per COVID-19 guidelines.
2020	Oct	380	COVID-19 postpones any plans for an Easter Camp in 2021 until 2022
2020	Oct	380	Committee decision to email Bulletin newsletters to members and no longer to post them.
2020	Oct	380	Newsletters from other Tas Field Nat Clubs can now be accessed on line via the TFNC website and will no longer be sent to clubs as a hard copy.
2021	Jan	381	Interstate Field Nat Clubs newsletters are now also accessible on our website.
2020	Oct	380	In August TFNC agreed to make donations to Bonorong; TLC for Tinderbox Hills; Raptor Refuge and Biodiversity Heritage Library (BHL)
2020	Oct	380	TFNC Membership form was updated and simplified and available via TFNCs website. It now captures family members names, emails and mobile numbers.
2020	Oct	380	New! Tasmanian Field Naturalists Club Excursion Guidelines were published and put on the website.
2021	Jan	381	Dec 2020 Members night talks could not go ahead as the HDMI cable had been stolen from the AV system at Mathers House. We now have to BYO cable. The talks will now be rescheduled in Feb and March 2021 meetings.
2021	Jan	381	Booking using Try Booking system is no longer required at Mathers House as the room is now permitted to hold 50 members. But members will be required to sanitise hands and record names/contact numbers on arrival. These records are kept for 3 months.
2021	April	382	New Life Member Genevieve Gates a committee member for 20 years.... More detail given.
2021	April	382	Article about the Retirement of John Reid, TFNCs Treasurer 1996-2001 from the club. He had been a member for 26 years.
2021	July	383	Bulletin format is changing and will no longer list the upcoming Speakers and Excursions. This information for archival purposes will always be stored on our website in the Archives section https://www.tasfieldnats.org.au/archives/meetings-excursions-2021/
2021	July	383	Article about how to use iNaturalist as TFNC begins to use iNaturalist to record its Excursion species observations.
2021	July	383	Historical Note about TFNC life member Jesse Luckman (1910-2014) whose papers are now on-line in the Tasmanian archives.
2021	July	383	Note about the General Meeting venue which remains at Mathers House for August. Reminder about the need to sanitise hands and to use the QR code and sign in before all meetings and excursions.
2021	July	383	TFNC nominates jointly Drs Genevieve Gates and David Ratkowsky for the 2021 Australian Natural History medallion. Article explains more...
2021	July	383	Le Souef Memorial Award nomination for members: Kristi Ellingsen and Tony Daley. More detail given...
2021	July	383	Bad weather cancels the Betsey Island excursion planned for June
2021	29 July	Com'tt ee mins	As the result of COVID, our complete set of historic hard copy Bulletins 1907-2000 have got stuck in Melbourne. It was expected that the Biodiversity Heritage Library, (housed at Museums Victoria) would complete scanning in June 2020, but they have been working from home since March 2020 and unable at this stage to complete the scanning of these newsletters.
2021	Sept Oct	Com'tt ee Mins 384	The committee agreed to introduce the following written statement on our website; Bulletin and the Tasmanian Naturalist and on the front slide of the General Meeting power point. "We acknowledge the Traditional Custodians of the land on which we study natural history."
2021 2022	Sept March	Com'tt ee mins	The committee meetings continue to be conducted via Zoom

2021	Sept Oct	Com'tt ee Mins 384	As allowed by Club Rules Deirdre Brown retires as Bulletin Editor and is replaced by Kristin Groom. Deirdre Brown was first elected as our Bulletin Editor in 2014
2021	Sept		<ul style="list-style-type: none"> • The President continues to send members one or two emails per month about Speakers, Excursions and meeting venues. These emails only began in March 2020 with the advent of COVID-19. • Only TFNC Members can attend General Meetings and Excursions (no visitors) This was introduced in July 2020 when we resumed meetings post our COVID shut down. • In September our Monthly meetings resumed at UTAS, but in the Law Seminar room which has excellent AV facilities. Our Library Cupboard is still stranded outside the Life Sciences Lecture theatre where we previously held our meetings. We cannot return there yet because of access problems to the temperature testing machine which is through locked doors.
2021	Oct	384	Records the untimely death of member Chris Spencer (1957-2021) Together with Karen Richards over 30 papers concentrating on Tasmanian avifauna, vertebrates and invertebrates have been published, many of them in the 'The Tasmanian Naturalist' Further information in a full article in the 2021 edition 'The Tasmanian Naturalist' #143
2021 2022	Oct Jan	384 385	Since November 2020 TFNC members have been posting excursion observations in iNaturalist and long lists of observations are no longer included in the Bulletin. In Bulletin #385 Eddie Gall (President) summarises the species recorded in each location etc.
2021	Oct	384	In September the club moved its meeting venue back to UTAS. But to the Law Seminar Room. We have not been permitted to return to the Life Sciences Lecture theatre and access to our library. This is because of the after-hours access through three locked doors and requirement for temperature checking remains too difficult.
2021	Oct	384	Observations have been extracted from our Bulletins and the hard copy Observation book and these are now included in two searchable on line documents 'TFNC Conservation Matters, Fauna and Flora Observations 1937-1999 and 2000 onwards'
2021	Oct	384	In 2021 the TFNC committee agreed to make donations to Derwent Estuary Program, Tasmanian Land Conservancy, Threatened Plants Tasmania and the Australian Natural History Medallion Fund (ANHM)
2021	Oct	384	Our joint nomination of Drs Genevieve Gates and David Ratkowsky for the 2021 Australian Natural History Medallion Fund (ANHM) was unsuccessful. It had been decided that the Medallion would only be awarded to 'a single living person' as per their rules which were not amended as we had been led to believe would happen.
2022	Jan April	385/ 386 emails	Our joint nomination of our members Kristi Ellingsen and Tony Daley for Victoria's Entomological Society 'Le Souëf Memorial Award was successful. The omicron variant of COVID has prevented the Award being presented in person in Victoria, instead they will be presented with their award at TFNCs April General Meeting at which Kristi will also be the speaker. Kristi Ellingsens talk "Alert not Alarmed" for the first time was recorded and made available on line to members who were unavailable to attend the meetings. More detail given
2022	Jan	Com'tt mins	COVID and the uncertainty around the new Omicron variant resulted in the cancellation Feb 2022 General meeting. Members must be able to show if asked that their COVID vaccinations are up to date (2 vaccinations+ booster) at General Meetings and on excursions. Face masks must be worn at General meetings and it's a personal choice on Excursions but 1.5m social distancing is still required.

2022	Mar/May	Com'tt mins	Biodiversity Heritage Library (BHL) confirmed that they have finally completed the scanning/upload of TFNCs complete set of The Tas Naturalist, Easter Camp Reports and all the Newsletters/Bulletins to BHL. This was delayed by 2 years because of COVID and the closure during it of the BHL scanning lab at Museums Victoria! The hard copy collection of Newsletters/Bulletins arrived safely back in Hobart 2 May 2022.
2022	May/July/Oct/Dec	Com'tt mins	A CD of Past president Kelsey Aves' photographs taken on Easter camps and excursions in 1950-1960 had been found. Annabel Carle is currently trying to get the people and places identified. In due course these photos will be put on our website and sent to Archives Tasmania.
2022	May/July	Com'tt Mins 386	The committee agreed that in 2022 \$500 donations should be made to Inala Foundation, Raptor Refuge, Derwent Estuary Programme, Tasmanian Land Conservancy, Threatened Plants Tasmania and Bonorong Wildlife Sanctuary
2022	July	Com'tt Mins	In light of the continuing high numbers of Omicrom and the B4/B5 variant of Covid in the community, the committee agreed to continue the members only policy and that masks should still be worn at General meetings. On excursions its still members only , masks are optional but the excursion guide maybe a non-member.
2022	July	387	Commencing from May 2022 and for the first time for a number of years a short article about each of our speakers talks was given in the Bulletin.
2022	July	387	Records the death of our Life Member Priscilla Park in July 2022 and provides an obituary...more detail given
2022	May April/July August	Com'tt mins 386/387 Obs Bk	TFNC have submitted their Observation Book sightings of Rainbow Lorikeets to NRE records dating back to 1962 where birds had been sighted at York Street, Sandy Bay believed to be an aviary escape. Community Rainbow Lorikeet Trapping program was advertised and members encouraged to participate. More details provided. Els Wakefield reported at the 4 August meeting that she had already trapped and destroyed 12 rainbow lorikeets at her home in Mt Stuart.
2022	April/July	386/387	Despite announcing in Bulletin 386 that we would not be reprinting the 2 nd edition of the 'Field Guide to Tasmanian Fungi' by Genevieve Gates and David Ratkowsky. The demand for this book was such that it was agreed with the authors a further 1000 copies would be reprinted.
2022	April/Oct	386/388	TFNC Library and Archives cupboard remains in the Life Science Bld UTAS but it makes it very difficult for the Librarian to access now that our meetings are held in Law. Members were advised they could email requests in advance and they would be brought for them to borrow to the next General Meeting. In the event no requests were made
2022	October	email	Non-members are now allowed to attend excursions again (post COVID). Members were encouraged to bring friends, family, children to excursions. They are allowed to attend three excursions before they must join the club.
2022 2023	October/Jan	388/389 & emails/website	Publication of the 4 th edition of 'Between the Tasmanian Tidelines'. Editor Lynne Maher and scientific names were updated by Dr Simon Grove and Fiona Scott
2022 2023	Nov and Dec	Email #389	The death is announced of long time club member Hans Wapstra (7/5/1943-2/11/2022) who made a major contribution to Tasmanian Botany including co-authoring Orchids of Tasmania; Tasmanian Plant Names unravelled - amongst others. A memorial service was held for him at the Peter Murrell Reserve at 2.30pm on 2 nd December 2022 at Penrhyn Pond, Peter Murrell Reserve.
2022 2023	Oct, Dec & Jan	#389/E mails/website	Dr Genevieve Gates has won the 2022 Australian Natural History Medallion and after a period of health problems which prevented her travel to Melbourne to receive this award, she was eventually presented with the Medallion at the TFNC Xmas BBQ at Randalls Bay on 3 Dec 2022
2022 2023	July /Dec	386/388	Photographs taken by past President Kelsey Aves (1907-2003) taken 1950-1961 have been digitised, identified as far as possible and were put on the TFNC website in Feb 2023. The photos will also be donated to Archives Tasmania

2022	Dec	Com'tt mins	It was agreed with Dr Simon Grove to reprint another 100 copies of the Seashells of Tasmania book.
2022	Dec	Com'tt mins	Committee has begun to consider if 'The Tasmanian Naturalist' should be only printed on line and no longer be printed as a hard copy /should it be printed once every two years/ etc. . Further discussion will be required in 2023
2023	Jan	#389	Includes a summary of our use of iNaturalist in 2022
2023	Jan	#389	Advertised an On-line study to identify what motivates volunteers to participate in environmental stewardship programs
2023	Jan	Com'tt mins	It was decided after a trial period that the Bulletin would no longer include a short summary of the monthly speakers talk and instead would just include for the record the name of the speakers and the title of their topics.
2023	Jan	Com'tt mins	Because of the continuing inaccessibility of the library, discussions about winding up/disposing of the TFNC library has begun. It is being little used/has not been missed during the 'Covid' years
2023	Jan	Com'tt mins	Launceston Field Naturalists Club is suggesting we hold a joint excursion 6-8 inc Oct 2023 in the Bagdad area etc
